NEWS

- Many congratulations to Tom and Greg and their committee. The first **Schomberg Village Street Gallery** was certainly a success and there is a great foundation to work with. They put their heart and soul into the event and it certainly showed. People were wandering up and down the street visiting the artists, enjoying the sights of all the creative scarecrows lining Main Street and participating in Doors Open King and two heritage walks... All the different groups collaborating to organize this and next (Oct. 3) weekend events should be congratulated –

Schomberg was really shining this weekend and let's hope October the 3rd will be as successful (and that the weather cooperates again!)

- Fall Hikes. Check the online ORTA newsletter called Trail Talk for all the hikes on the Oak Ridges Moraine from September to December. There is something for every one.

- Congratulations to **Humber River Shakespeare Company** on their historical vignettes (written by Hugh Barnett of Arcadia Music) that they performed at the 10th anniversary of the Humber River being designated a Canadian Heritage River at Etienne Brule Park on Saturday, September 19th. The Mayor of Toronto attended this Toronto Region Conservation event.
- In honour of the 10th anniversary of the Humber River as a Canadian Heritage River, the TRCA published a wonderful hard cover book called Humber River The Carrying Place. Photographer, Electrical Engineer, and ASK member - Barry Westhead, has four very beautiful photos in the book.
- **All the King's Voices** – invites new singers to audition for this 40 member, mixed-voice, semi-professional choir under the direction of David King. For more information www.allthekingsvoices.ca or call 416-225-2255
- **Soupalicious is looking for local talents**
King Township will be the host community for the **2nd Annual Holland Marsh Soup-A-Licious** event this year being held in Ansnorveldt Park on October 23rd to 25th. They are looking for local musicians and performers to be part of the program on Saturday October 25th and possibly on Sunday October 26th. There a modest entertainment budget for this event so some type of compensation could be possible for some performers, but they are also looking for entertainers and performers that may be just starting up or are looking for additional exposure. There are several hours of programming that need to be filled. Please forward your recommendations and/or entertainers directory to Jim Ordolis at info@soup-a-licious.ca
