King Township is the 2009 National Winner of the 10,000 to 20000 category of Communities in Bloom among nine other communities across Canada. The King Blooms committee was delighted to accept the award, and feel it is a win "for King, by King."

Thanks to the Arts Society King for its support. This year the street banner art was provided by Greg Locke, the King Blooms School colouring book was provide by Geoff Simpson, and the cover of the King Blooms magazine by Andrea Loeppky. The programs offered by ASK through out the year contributed to the culture category and community involvement. The win is based on more that pretty flowers.

ASK has been a strong participant over the years and thanks goes to Garry Conway and Helen Lucas for the first banner and Brian Chung for the King Blooms Logo.

***Every Little Step* – TIFF Movie**

Every Little Step, an audience favourite at the 2008 Toronto International Film Festival®, captures the magic of the much-loved show A Chorus Line by filming the casting process of the 2006 stage revival. The concept is self-referential, given that the very plot of A Chorus Line is about casting a musical, but the filmmakers add another layer by examining how the original show was born when Michael Bennett recorded a group of dancers speaking in confessional mode.
